Water way	Great Ouse Downstream	Date	28 Mar 05
Weather	Overcast, some sunshine later	Engine hrs	3
Final mooring	Loveys	Miles	12
Cruise notes		Locks	0

Downstream Great Ouse to River Lark. Up the Lark moored at Prickwillow.
Bridge by mooring was very low with little clearance. Ian personally got us there.
Important to maintain centre of bridge position.
Picnic at Prickwillow then return to Ely.
Echo sounder and log now working

Captain & crew: Brian & Tess, Ian & Cath & Joni & Beth
