Couldn't resist another sunny afternoon cruise up to the Lazy Otter.

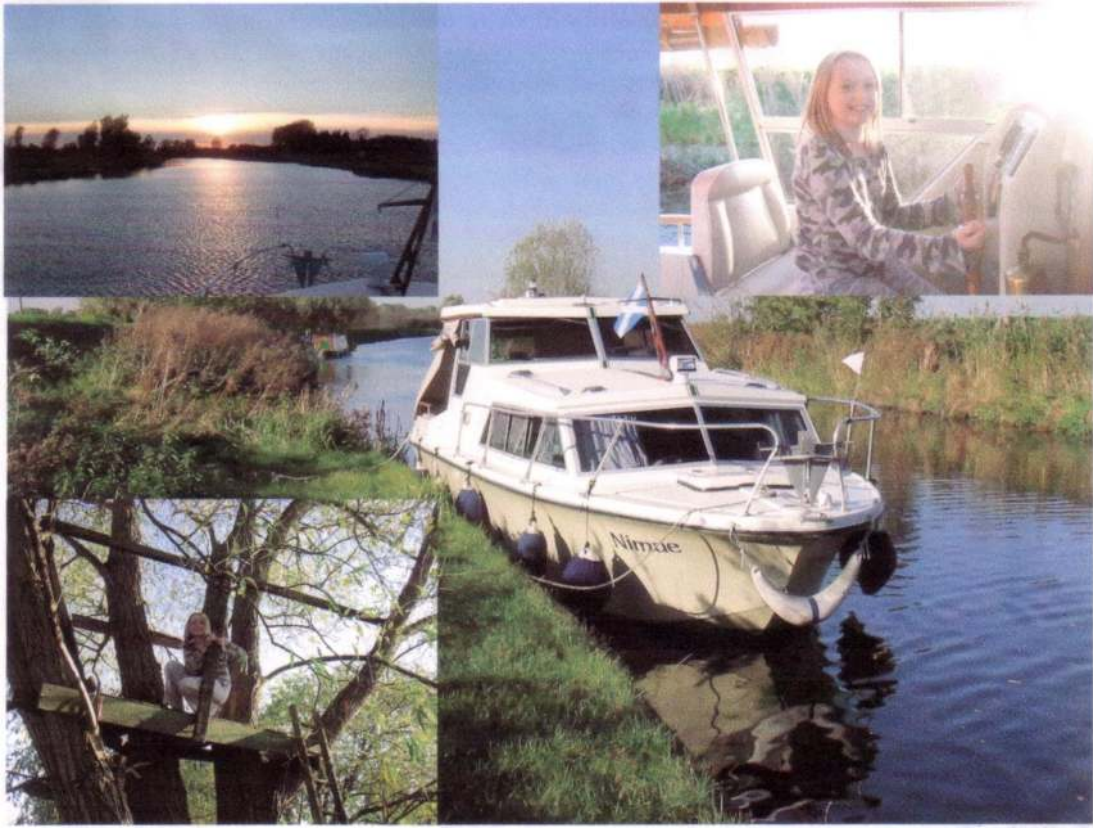

Lunch this time was soup for Carol, Steak & Guinness Pie for Brian and a Ploughman's for BrianM. Very nice - although the pie was a bit light on the Guinness!

Plenty of blue sky and sunshine. Very few boats out.

Carol had more practice at unmooring – more successful this time!

Noted a parade of boats going upstream on the Ouse as we returned. We thought it must be the Upware Boat Club returning from a lunch outing!

Lovely afternoon trip. Moored a few miles past Prickwillow (from the OS map, it was probably Cock Inn Farm) and returned.

Saw at least 7 kingfishers, 1 heron and a water snake!

Carol, Ian and Joni aboard.

One of the warmest late October days!
