The first trip of the season started out with several hours of post-winter cleaning and repair.

The engine started first time (Yay!) and we motored on the the 'Five Miles from Anywhere Hurry Up Inn' for lunch and a drink.

Saw Canada Geese and a mob of seagulls chasing off a heron.

Moored back at Tiptree, cleaned up and home. A nice day.

Waterway	Tiptree marina - to Clayhithe	Date	8 Apr 2007
Weather	Warm and very sunny	Engine hrs	2
Final mooring	Tiptree marina	Miles	4
Cruise notes		Locks	1

A lovely cruise up to Clayhithe for a picnic.

Once moored up at Clayhithe, we were met by Sophie & Laurence who had biked up to meet us.

Excellent food and cake by Joni. Tess and Brian J did the noble deed by removing a large tree branch from the mooring at Bottisham Lock.
