Weather	Very sunny and warm	Engine hrs	2
Final mooring	Tiptree marina	Miles	4
Cruise notes		Locks	2

Crew: Brian and Tessa

Left Saturday afternoon for a short trip via the very slow lock at Upware for our very first trip up Wicken Fen.

Bridge difficult to navigate underneath (low and narrow) but a gentle 2mph gets you up to Lode to a lovely mooring. We were 3 boats there eventually.

Did not spot many birds but plenty of birders -- large cameras and camouflage!

Lovely overnight stop with an early return delayed by the lock being used for flood control!
