Crew: Brian, Tessa & Sunaina Shah

Short evening cruise with guest crew member Sunaina. Run down river and then returned to the Five Miles Inn for a meal.

Many herons, powered hang-glider and a balloon were spotted. Also a small white heron(?) and an iridescent beetle found on a rope at the Five Mile Inn.

"Thank you so much for the lovely evening on the boat and the meal at the Five Mile Inn. This surely was one of the most 'fun' parts of my trip to Cambridge. :)"
